

Frank Steins Callbacks!

Thank you to all of those who auditioned for the Frank Steins production! We really appreciate all of your enthusiasm, great energy, and spirit, and we hope that you will all continue to pursue theater, whatever your other interests are. Our team sincerely enjoyed all the performances; it led us to make some very tough decisions for our final callback list. We hope that, even if you were not called back, you will consider joining our staff and contributing to our community in a different way.

Below is the callback timeline, scheduled to happen **this Monday in the Farkas Lobby from approximately 10 am to 3 pm**. If you have any conflicts with your scheduled time, or for some reason can no longer commit to our show, please contact our technical producer, Scott Kall, listed after the schedule. We look forward to seeing you all in your future endeavors!
