

# 'TIS PITY SHE'S A WHORE

Thank you all so much for auditioning! We were absolutely blown away by the talent we saw this past week. From this point forward, we are not allowed to initiate contact with you. However, we urge you to **contact Eliza** as soon as possible, whether or not you are planning to take the role, to discuss any questions you might have about the show, your role, or the production in general.

Please also get in touch if you are planning to take a role in **any other production.**

We unfortunately cannot share actors with *Sweeney Todd*, *columbinus*, *Shirley*, */underground*, or *Frank Steins*. *'Tis Pity* is in residency in the Loeb Ex Nov. 26-Dec. 9.
